## Raising Adult`s Cultural Awareness and Expression through Cultural Heritage

2014—2016

**The aim of the project** is to develop the competens of cultural awareness and expression with the emphasis on the unique national heritage in the following fields: natiional songs and dances, folk instruments festive customs and traditions, symbolism, national costumes, traditional handicrafts, ancient architectura an culinary heritage.

### **Results:**

The participants of the project will get acquainted with the cultural heritage of the project partner countries and will be able to distinguish common and uniqe features of the Nordic/Baltic countries' heritage. It will also open up new prospects for cooperation and development of adult entrepreneurial skills, the use of cultural heritage and its adaptability in modern life.

### **Objectives:**

1. Get acquainted with the cultural heritage of the project partner countries and distinguish similarities an differences.
2. Organize seminaris, discussions and workshops.
3. Share good practices.
4. Improve the access to cultural heritage on-line by digitizing Nordic/Baltic cultural heritage through project partner best practise and innovation.
5. Prepare an educational digital material.
6. Create recommendations to implement the best project partner experience in Nordic/ Baltic countries.
